

i want
some
cheese

cheese?

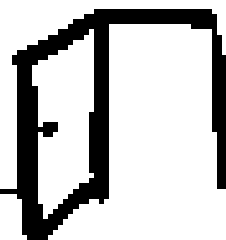

yes, thats right
shady foxe

a fox like yourself
shouldnt have such
a desire like that

but i admire
that, it reminds
me of my youth...

oh your gone

now where is
the cheese
store?

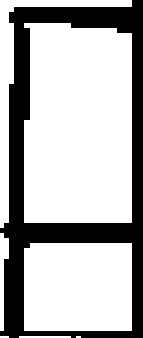

no wonder
foxes get
lost in this
city

hey! im not
lost, im just
uh, standing.

i mean,
i dont look
lost do i?

i guess not,
well where
are we?

um, the
cheese sign?

...

what are
you doing?

accepting my fate,
since idk where in
foxopolis we are,
and theres no
hope to find
anything

so join me-
uh wait who
are you?

oh me? me-
my name!?

name, name
uhmm, give me
a second, fox
name?!?

oh uh,
fox fox
cheese
sign?, ug

uhm, uh
hmm, lets
see, hh

calm down or just
spit it out, my name
is cedar

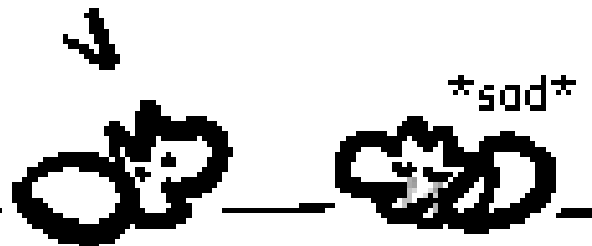

i lost
my name...

cheese

cheer up, you may of lost
your name but ill never
get any cheese since im
lost so we both are
having a bad time

sniffle you-
you wanted
ch-cheese?

yea thats why
i came out here

behind the
cheese sign...

chees

you have
to be kidding
me right?

cheese

wha

did you get
your chēese?

no, no i did not.
in fact it seems the
sign makers got lost
too since that cheese
sign shouldve said thrift
stōre, since thats what
that place was.

if we survive the night
then your coming with
me to find chēese, and
i guess to find your name
too. goodnight; fox.

ok cedar,
goodnight
